2017 School Street Zinfandel

Tasting Notes

Zinfandel is grown at a vineyard called Tailern Bend in Calaveras County near Mountain Ranch. There are two clones of Zinfandel at the vineyard, Rock Wall and Heart's Desire, both clones originate in Sonoma County. The nose has hints of cider and raspberry. Medium red in color. The mouthfeel is lively. Raspberry and blackberry with hints of vanilla from the American oak. This medium body Zinfandel would pair well with BBQ chicken or pork.
