## 2018 School Street Super Tuscan

### Tasting Notes

The 2018 Super Tuscan is a blend of Sangiovese, Barbera and Cabernet Sauvignon. The nose is cedar and pomegranate. The mouth feel is medium body. The finish has flavors of cherries, cinnamon and chocolate as well as spices from aging in Hungarian oak.

It drinks very nice and will age well in the future.

Like most Italian wines, this wine will pair well with Mediterranean cuisine.
